A Piece of the Puzzle

Collage-Presentation
Guidelines

Task:

You and your partner are a team of archeologists who are helping to discover the mysteries of China. You have been assigned a piece of the Chinese puzzle (a province) and are responsible for uncovering as much information as you can to define the culture within that province.

Procedure:

- 1) Research the required information about your assigned Chinese province(s).
- 2) Take good notes on the worksheet. Include interesting FACTS!
- 3) Find and print pictures representing different parts of your province.
- 4) Collect small items or objects to represent parts of your province.
- 5) Organize your collage on the provided scratch piece-
 - a. BE sure it has all of the required information (see rubric)
